

AP Exam Payment Form

AP Students/Parents,

The cost for AP exams this year is **\$98.00** per exam. Students who qualify for financial reduction of student fees will be charged a reduced rate of **\$13.00** per exam. If you qualify for a reduced rate, but have not filled out the district CEP form, please turn that in ASAP so a reduced rate can be applied.

Students can pay for the exam by either using their school account through myschoolbucks or by bringing in a check or money order for the cost of the exam. All AP students will be invoiced through myschoolbucks. You will receive an email alerting you of this invoice. Invoices will only be open until **November 10th**.

Students may also pay for the exam using a check or money order. **Check or Money orders must be made out to "North Tonawanda City School District." No cash will be accepted.** If using a check or money order, you must also fill out the form below and return it with payment to the main office.

All payments must be received by November 14th, 2023 to avoid a late fee charge.

Any questions please message me on Schoology or email me at wbreed@ntschoools.org
Good luck on the exam,

Mr. Breed
