Driver Education will be offered this summer at Niagara Falls High School. NT students can take the Summer School buses from NTHS to Niagara Falls HS and back. The program begins July 5th and the cost is \$400 for the 6-week course. More information can be found at www.onboces.org and from Mr. Zayatz in room 214.

During locker cleanout, boxes marked "LIBRARY" will be available at each stairway entrance on all floors. Place library books in the closest box or stop down to the Library.

During exams, drop books off at the Library. Just put the books in the slot at the book drop. If the Library is closed, return your books to the office.

Students who still have overdue books come September will have further consequences.

Anyone interested in summer workouts and conditioning, Mr. Keohane will be running workouts starting June 14th from 4-5:30 pm at Drake Elementary. The flyer is posted on the NT website under community sports and there are copies outside of the athletic office.

The outdoor track banquet has been moved to the Gratwick Fire House at 110 Ward Rd.
