

Students

SUBJECT: REMOTE LEARNING PLAN

The North Tonawanda school district will have a team to consult made up of teachers/ administrators / board members and parent members to create and promote the change to remote learning when needed. The district web page and social media accounts will push out information and have in-person help as needed. Students and parents use See Saw and Schoology as a learning platform with Microsoft Office on each device.

- North Tonawanda is a 1:1 iPad district and each student has one issued to them.
- In a remote learning situation, North Tonawanda will use a combination of Asynchronous Instruction synchronous instruction.
- A) Policy 7150 outlines the steps the district will employ in a remote instruction situation.
- B) **K-3 students will be** provided 190 min of online instruction: ELA (English Language Arts) Math. Science and/or Social Studies. Special area instruction (Art, Music, Physical Education etc.) will be provided for 40 min as scheduled as part of the 190. Remedial staff follow their schedule to meet as prescribed.

4-6 students will be provided 190 min of online instruction. ELA, Math, Science and Social Studies. Special area instruction will be provided 40 min as scheduled. Remedial staff follow their schedule to meet as prescribed.

7-12 staff will: Will follow the daily schedule for each student. Online lessons and assignments as scheduled.

- C) For students who cannot access or are not appropriate for on-line learning, paper packets and follow-up at each level will be provided in each subject. North Tonawanda also provides free wifi access points in the community that can be accessed 24/7
- D) Special Education Working with service providers to do tella-therapy as well as following the grade level plan above for each student. IEP services will be done as best of the remote ability as possible.
- E) Foundation Aid will be input for North Tonawanda.

Reporting of Computer Connectivity Survey Results yearly from survey results to the commissioner.
