INFORMATION FOR PARENTS AND STUDENTS

ACADEMIC SUPPORT

GUIDANCE SERVICES

The guidance philosophy is to provide a developmental program that will facilitate and support the educational achievement of all students. Students may receive assistance from school counselors in a number of ways such as: personal education needs, program planning, scheduling, career planning, standard test interpretation, and personal development. Each student will be assigned a school counselor for the 2022-2023 school year.

There are Social Workers available to help all our students. Their focus is to help students and families resolve problems that interfere with school success.

Teachers, counselors and administrators are available to conference with parents/guardians regarding any aspect of a student's school or personal life. For parent/guardian convenience, days as well as evening conferences are scheduled throughout the school year. The Guidance Office can be contacted directly by calling 807-3700 Option 4.

ACADEMIC TEAMS

Students are placed on one of four academic teams. There are two seventh grade teams (Aries, and Orion), and two eighth grade teams (Draco, and Phoenix).

HOMEWORK POLICY

Homework is an important part of the instructional program because it reinforces the work that is done in class. Students are expected to be responsible for the completion of their assigned homework, which, on average, is about an hour per night. Some subjects such as math and foreign language will give brief nightly assignments, while others will give fewer but longer assignments. Teachers try to work together on team to balance the workload as much as they can.

Students are expected to develop an organizational system to track their homework assignments. They are expected to record assignments, complete them, and bring them to class in a timely manner. All classroom and homework assignments should be recorded in the homework binder and brought to each class. Each teacher has an area in the classroom where homework is posted. Students can also find homework on the Schoology homework calendar. We suggest that students bring their homework binder and all work home each night, even if it was completed in school. This way, parents/guardians can see the completed work and know what is happening in school. So, when you ask, "What did you do in school today?" your child can't tell you "nothing".

If your child forgets to bring any necessary materials home from school, the school is open for activities most evenings. You may return to the school with your child to pick up the needed materials. You can try accessing the building near the main office by 3:00 pm.

▪ Parent Portal:

To help parents maintain a strong school connection, the North Tonawanda City School District has implemented a web-based communication tool known as the Parent Portal. The Parent Portal provides parents with 24/7 access to their child's academic information. Once the application process has been completed, parents will have on-line access to attendance information, progress reports, report cards and current grades. Step by step directions for creating an account are available on the NTCSD web-site under the Parent Portal tab.

Parent Role: **Parents and families are crucial factors in the academic success of children.**

- Parents/guardians are asked to create a home environment that supports the development of positive learning, attitudes and habits.
- Seek and value the school's perspective on the student.
- When concerns arise, please seek information directly from the school, consulting with those best able to address the concerns.
- Remain informed by frequently visiting the parent portal and district website.
- Keep open lines of communication with teachers, counselors, etc. throughout the school year.
- Attend parent-teacher conferences.
- Support the school policies and procedures.
- The other important piece parents can offer assistance with is organizing student materials. Students have a set of colored binders for each class. Maintaining these binders can be difficult in middle school. On a night where there is little or no homework, students should be encouraged to bring home a binder or two to organize loose papers and transfer papers from the homework binder into the proper subject binders, etc. Each teacher maintains a model binder in the classroom, and notebook checks are common. Students can utilize the teacher's model binder during enrichment to stay organized.

REPORT CARDS

Report cards will be online through the Parent Portal at the end of each ten-week marking period as well as being mailed home. The grades are a reflection of the student's progress in each class over the course of the school year. In addition to quarterly grades, progress reports are also available on the Parent Portal at the 5-week mark between report cards to indicate areas of proficiency and/or deficiency. Parents/guardians may access current grades at any time using the Parent Portal.

The grading system used by each teacher should help the students understand their strengths and achievements, and point out any areas of weakness. If a student does not understand a given grade, he/she should ask for an explanation.

Students in 7th grade who achieve Honor Roll status during the first three (3) marking periods are eligible to apply for induction into the National Junior Honor Society (NJHS).

Grades 7 & 8

Marking Period Average

High Honor Roll	95-100
Honor Roll	90-94
Merit Roll	85-89

ATTENDANCE

Regular and punctual attendance is extremely important. Students must be in school every day to fully benefit from the educational opportunities available to them. Nothing can replace the valuable class time that is lost due to absenteeism. The positive interaction between students and their teachers during class study and activity times within the school day is irreplaceable. It is the student's responsibility to be in school every day and in his/her assigned place at the specified times.

If your child is going to be absent from school, the parent/guardian **MUST** call the Attendance Office at **807-3716** as soon as possible. This number is available 24 hours a day. Global Connect calls will be made to all households who have not called school to report an absence.

Whenever possible, medical and dental appointments should be scheduled outside of regular school hours. Students who are absent from school for a full day are not able to participate in school-sponsored activities on that same day (i.e. dances, after school clubs and sports activities). Students whose absences are deemed excessive and unexcused will receive attendance letters and may lose privileges or be referred to PINS or CPS.

All students who are returning to school after an absence MUST present a written explanation, signed by his/her parent/guardian, which states the child's full name with the dates and reason for the absence. This should be done within three days of his/her return from an absence. In the absence of an excuse, student absences will be recorded as unexcused without an excused note.

Trips or vacations are **NOT** considered excusable absences per North Tonawanda City School District policy. It is not the responsibility of the school to give advance assignments related to any such absences.

No student may leave school for any reason, from the time the student arrives in the morning until the end of the last period, unless he/she has received permission from an administrator, the school nurse, or has an approved early dismissal. If a student needs to leave early for an appointment, they should bring a note, signed by his/her parent/guardian, which states the child's full name with the date, time and reason for the requested early release. All requests for early dismissal should be submitted to the homeroom teacher. The homeroom teacher will issue a pass for early dismissal.

ARRIVAL / DISMISSAL

Students will be permitted to enter the building starting at **7:15 a.m.** for breakfast. They must report to the cafeteria where they will remain until **7:20 a.m.** The school day officially begins with **Homeroom at 7:30 a.m.** Students who need to enter the school before the official opening time must have faculty approval and supervision. The school day officially ends when classes are dismissed at 2:30 p.m. No students will be allowed to remain after school for any activities unless they have faculty permission and supervision. Excessive tardiness and truancy will result in disciplinary consequences.

THE LATE BUS

ONLY students who have participated in an extra-curricular activity or after school detention may ride the late bus. Students will be given a pass for this bus. Students without a pass will need to call his/her parents for transportation home.

EMERGENCY SCHOOL CLOSINGS

When conditions or situations warrant emergency closing of schools, a public announcement will be made on the local TV and radio stations, and the Global Connect system. If no announcement is made, school will be in session. When school is cancelled for the day, all activities planned for that day are also cancelled. Please do not try to call the school. We need to keep our phone lines open for emergency instructions.

The North Tonawanda Board of Education's commitment to provide a safe and orderly school environment in which students receive and district personnel deliver quality educational services without disruption or interference requires responsible behavior by students, district personnel, parents, and visitors in achieving its goal. Students who receive In-School Suspension (ISS) are required to report directly to Room 128. Students will be expected to remain the entire day (unless directed otherwise). The team leader for each student who is placed in ISS will be notified, and all class work for that day will be delivered to the In-School Suspension room. A master list of all assignments received will be provided to each student and he/she will be given one assignment to work on at a time. When an assignment has been completed, it will be turned over to the teacher who is monitoring ISS and another assignment will be provided. Assignments are not to be taken home to be done as homework. They must be completed in ISS and must be returned to each teacher's mailbox by the end of the day.

Assignments that are not completed in ISS will receive no credit. Students will be given periodic bathroom breaks and will be taken to the cafeteria to get their lunches which will be consumed in ISS.

Whenever a student is placed in ISS, their behavior is closely monitored. Every student's behavior is evaluated each period by the staff member who is in charge. This is documented in the ISS Log. Students receive either a 'thumbs up' or a 'thumbs down' based on how well they cooperate and behave.

Unexcused tardiness to class that exceeds ten (10) minutes will be treated as a class cut resulting in a discipline referral and the assignment of after school detention.** All students are required to have a pass while in the hallway during class time and are expected to use proper manners and appropriate language at all times. Students are responsible for all textbooks they are issued. If a textbook is damaged or lost, a fine will be assessed.

Students at NTMS believe in...

Middle school students will accept responsibility for his/her actions.

DRESS / APPEARANCE

The Middle School Community believes that the student dress code should be neat, clean and appropriate at all times. Proper dress affects the school environment, student conduct, and the quality of schoolwork. Per the North Tonawanda City School District Code of Conduct dress that distracts or interferes with the learning process will not be allowed in school. Appropriate dress is the responsibility of the parent/guardian and the student. When we have sufficient grounds for concern about a student's appearance, a home contact will be made. **The student will be required to change into more appropriate clothing before being allowed to return to class.** If clothes/shoes are not available to change into, a student will remain in the ISS room for the duration of the day. Repeat offenders will face disciplinary consequences. These guidelines will be observed during school hours and all school functions including dances, field trips, and public performances.

Due to frequent changes in fashion, it is impossible to specifically describe all clothing styles that might be considered unacceptable to wear to school. However, students should be dressed in a way as not to offend school community standards. Therefore, the following attire will be prohibited:

- a. Pajama pants or slippers.
- b. Shorts, skirts, dresses and tops that do not adequately cover undergarments and/or personal body parts.
- c. Headwear or sunglasses except for medical or religious purposes that have been approved by an administrator.
- d. Clothing that advertise, display, or represent alcoholic beverages, tobacco items, drugs, weapons and/or gang related themes.
- e. Apparel or accessories that display obscene/vulgar words or images, sexually explicit or suggestive remarks.
- f. Mid-cut shirts that reveal midriff.

- g. Outdoor coats, jackets, etc.
- h. Wearing of a scent that has a negative impact on others.

School administrators or their designee will make the final decision on any questionable dress code concerns.

Students are not permitted to use any form of information technology, including their own personal electronic devices, to intimidate, harass or threaten others.**

Cell phones cannot be used to text other students while in testing situations to gain access to answers. Therefore, all text/electronic messaging is strictly prohibited during the school day. In the event of a family emergency, parents can always contact their child by calling the Main Office or Guidance Office. ATHLETIC CODE OF CONDUCT (aligned to North Tonawanda High School requirements)

BEFORE YOUR SON/DAUGHTER CAN BE CONSIDERED ELIGIBLE FOR PLACEMENT ON AN ATHLETIC TEAM, THEY MUST FULFILL THE FOLLOWING:

Code of Conduct Form (in this guide) Must be on file before any student can participate in any athletic sport for the time period listed on the cover of this handbook.

Academic Eligibility

In order to participate in athletics, the following academic requirements must be met:

- 1.** Per New York State rules, a student must be a Bonafide Pupil of the school which he/she represents. To participate in interscholastic athletic competition at the high school level for a Niagara Frontier League (NFL) member, a student must have passed, or be passing at the league recognized first tryout date of each season, four (4) credit bearing classes and physical education as defined in 207.0 – Subsection K of General NFL By-Laws. For fall athletic competition, eligibility will be based on final grades from the prior school year through the close of summer school classes in August.
- 2.** If a student-athlete does not meet the standard outlined in A. above, instances of extenuating circumstances may be reviewed by the principal. If deemed to be a legitimate extenuating circumstance, the principal (or designee) may present the case to the Athletic Directors for a waiver of the eligibility requirements. A unanimous vote of the Directors will approve the waiver. If the Directors do not approve the request unanimously, the principal may request a waiver by the Executive Committee of the Niagara Frontier League. Their approval by majority vote will enact eligibility.
- 3.** Once a sport season begins (recognized league start date), each school district has the right to review student eligibility for the purpose of reinstating or removing a student-athlete from participating in approved interscholastic athletic competition. These reviews will take the form of 5- or 10-week checks throughout the season beginning at 10 weeks. Fall Sports will have grades checked from the prior school year through the close of summer school and at the 10-week marking period. Winter Sports will have grades checked at the 10 week and 20-week reports with the 15-week progress reports used to reinstate athletes that were put on academic probation at the 10- or 20-week reports. Spring Sports will have grades checked at the 20 week and 30-week reports with the 25 week and 35-week progress reports used to reinstate athletes that were put on academic probation at the 20- or 30-week reports. The intent is to make sure all athletes are passing the required 4 classes plus Physical Education throughout the entire school year. If your child is placed on academic probation, they will be allowed to practice with their teams but not compete in any contests until their grades are passing at the 5-week progress report check.
- 4.** League member schools participating in competition not governed by the NFL, i.e. Federation football, ice hockey, will adhere to league eligibility standards stated herein for purposes of student eligibility. E.

It is the expectation that all students exemplify competence, civility, good citizenship, and good character at all times both in and out of school, as well as in and out of season. This includes, but is not limited to the following examples:

- Demonstrating self-control and respect for others always. This includes teammates, coaches, opponents, and spectators.

- Respecting officials and other game personnel.

- Accepting responsibility to set a good example for the community.

1. Examples of Category 1 violations include, but are not limited to the following:

- Vandalism
- Illegal absence from school or class

2. Consequences for Category 1 violations will be communicated through individual team rules at the beginning of each season.

3. Any violation of Category 1 rules could result in loss of participation leadership positions.

Category II

Substance Abuse Use

No student may use, possess, sell or distribute alcohol or other substances, nor may use or possess drug paraphernalia, including counterfeit and designer drugs, including synthetic cannabinoids, except drugs as prescribed by a physician. The term “alcohol and/or other substances” shall be constructed throughout this policy to refer to the use of all substances including, but not limited to, tobacco, electronic cigarettes, nicotine delivery services, alcohol, inhalants, marijuana, cocaine, LSD, PCP, amphetamines, heroin, steroids, look-alike drugs, synthetic cannabinoids, and any of those substances commonly referred to as “designer drugs.” The inappropriate use of prescription and over-the-counter drugs shall also be prohibited. Persons exhibiting behavioral, personal or physical characteristics indicative of having consumed alcohol or having used illegal substances or marijuana, will be accompanied to a safe location by an administrator or teacher, while the student’s parent(s) are contacted.

Parties/Gatherings/Other Events

If a student attends a party/gathering where it is evident that marijuana or other illegal substances/drugs are present or being used, or where alcohol is being served to, or consumed by, persons under the age of 21, the students must leave the party /gathering within a reasonable period of time. A reasonable amount of time is defined as 15 minutes. Students are encouraged to contact a coach or administrator to establish their role in connection with the event. If such an event occurs during the summer or off season the students should contact the Athletic Director, 716-807-3614. The purpose of the call is to protect students who have made the right choice from future allegations regarding the specific event.

Hazing

Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health or safety of a student. Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity, even if a student willingly participates.

The athletic program does not condone any form of initiation or harassment, known as hazing, as part of any school sponsored activity. No student, coach, volunteer or District employee shall plan, direct, encourage, assist or engage in any hazing activity.

Harassment

Harassment in any form will not be tolerated towards students or staff. "Harassment" shall mean the creation of a hostile environment by conduct or by verbal threats, intimidation or abuse that has or would have the effect of unreasonable and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well-being; or conduct, verbal threats, intimidation or abuse that reasonably causes or could reasonably be expected to cause a student to fear for his/her safety; such conduct, verbal threats, intimidation or abuse includes but is not limited to conduct verbal threats, intimidation or abuse based upon a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. Harassment will be considered but not limited to person-to-person contact, social media or written forms. Students are encouraged to discuss freely with coaches, teachers, parents or administrators any harassment involving themselves or others.

Consequences

NTCSD adheres to a Four-tiered concept regarding consequences to violations of the athletic code. Three tiers of consequences intend to facilitate the goals as an educational institution to alert and inform youth. In addition, the consequences provide opportunity for students to learn from mistakes and be successful with future choices.

The training rules will be in effect from the beginning of the student-athletes' interscholastic participation through the student-athletes' high school graduation. The beginning of the season is defined as the first day of try-outs. This means it is 365 days a year.

- Example 1: a 7th grader first participates in sports in the winter season, the first day of practice that season begins the 365 days a year until graduation for adhering to these training rules.
- Example 2: A sophomore fall season begins interscholastic athletics, the first day of practice being the 365 days a year until graduation for adhering to these training rules.

A violation of these rules will result in the following: Category II Levels:

- First Offense: The student athlete will be suspended 25% of his/her regular scheduled events as stated at the beginning of the season. (Example: 16 scheduled games – 25% = 4 games.)
- Second Offense: A second violation of these training rules will result in the suspension of the student athlete for 50% of scheduled events.
- Third Offense: A third violation of these rules will result in the suspension from interscholastic athletics of that student for one calendar year.
- Fourth Offense: A fourth violation of these rules will result in permanent suspension from all athletic programs for the duration of school career.

The administration and Athletic Director will have the final digression regarding all events.

Self-Referral-1st Offense Only

In recognizing the importance of the values of honesty and integrity, any first-time code violations that are self or family reported prior to District awareness will receive a reduction in penalty of 50%.

Notes

If the duration of the consequence goes beyond the end of the current season, it will carry over into the next season in which the student athlete participates. It will not affect the tryout for the next season.

Team Captain

Any athlete designated by his/her coach as a team captain will lose his/her captaincy for the remainder of the NTCSD school year upon violation of the Athletic Code of Conduct. This takes effect after a first offense of the athletic code.

Appeal Procedure

The student and/or parent/guardian have the right to appeal penalties imposed under the Code to the school Principal and the Director of Physical Education and Athletics. The athlete will remain ineligible until the appeals process is complete. Appeals must be made in writing within three (3) school days of assignment of a penalty for a code violation. The Director will then form a committee and consider the appeal. The committee will consist of the Director, an assistant Principal and a member of the athletic department. The Director will respond with a decision within five (5) school days after receipt of the letter of appeal.

Quitting

If the student athlete chooses to quit during a sport season, then they will be ineligible to participate in the following season unless the athlete has quit due to extenuating circumstances. The student athlete will have an exit interview with the Athletic Director to determine their eligibility for the upcoming season.

Academics:

- Along with the 90% attendance rate, participation in a club, activity, or sports team is based on the student passing four (4) core academic classes and Physical Education at the close of the previous marking period. (i.e. Fall participation will be based upon final marks given in June or August).
- Once a sport season begins (recognized league start date), each school district has the right to review student eligibility for the purpose of reinstating or removing a student-athlete from participation in approved interscholastic athletic competition. These reviews will take the form of 5-10-week checks throughout the season.

Conduct & Loss of Privilege:

- The Administration in the school will review all incidents of misconduct and will consider placing a child on the loss of privilege list if warranted. A child can be placed on the loss of

privilege list for up to 15 school days. Problems such as but not limited to, fighting, harassment, theft, vandalism, forgery, cheating, and insubordination will be considered grounds for loss of privilege.

- Students and parents will be notified when a student is placed on the loss of privilege list. A student on the loss of privilege list is unable to participate or attend school events and activities. However, a student on the loss of privilege list may become eligible upon approval of the administration. A decision will be rendered after a letter is written by the student and/or guardian requesting permission to attend or participate in an activity. The student must be able to show proof that no serious incidents or attendance problems have occurred since the original incident that placed them on the list.
- Any student suspended may not participate in after school activities or athletic events during the period of suspension. For example, if a student is suspended on the day prior to the eighth-grade luncheon he or she loses the right to go and will forfeit the price of transportation, tickets, and pre-paid meals.
- Students are also subject to the rules for their clubs, organization, team, and/or group.
- Student athletes are subject to the rules established by the NYSPHAA, Section IV, Niagara Frontier League, and the NTMS handbook.

**** Please see the North Tonawanda City School District Extra-Curricular Activities Handbook for additional information.**

FAMILY RIGHTS AND PRIVACY (FERPA)

Notice Regarding Family Rights and Privacy

The District's procedures for the confidentiality of student records are consistent with federal statutes, including the Family Educational Rights and Privacy Act (FERPA). The parents, or those acting in a parental relationship, of eligible students of the North Tonawanda City School District are hereby notified that you have the following rights in relation to student records under the Family Educational Rights and Privacy Act (FERPA) and Board of Education Policy #7240:

 2. The right to request the amendment of the student's education record that the parent or eligible student believes is inaccurate.
- Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School Principal (or appropriate school official); clearly identify the part of the record they want changed; and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

- One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA.

- The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20202-460

5. If either a student's parent, those acting in a parental relationship, or the eligible student desire to obtain copies of the policy pertaining to student records, notification should be presented in writing to the Administration Building, 176 Walck Road, North Tonawanda, NY 14120.

NOTE: All rights and protections given parents under FERPA and this policy transfer to the student when he or she reaches age 18 and petitions for self-determination, or attends a post-secondary school, or has been designated an "emancipated minor." The student then becomes an "eligible student."

You must advise the school district *in writing* of any and all items which you refuse to permit the District to designate as directory information about the student.

LOST AND FOUND

Students who have lost or misplaced items should check with their teachers. Students who find items in school or on the bus are asked to bring them to the Main Office.

LIBRARY

Students will have an opportunity to sign out library books during their enrichment or study hall. Students who have overdue books will be notified in Homeroom and a phone call will be made home to parents.

PHYSICAL EDUCATION

Students will have access to locker rooms during Gym. Therefore, students will change for Gym Class. When weather permits the students will be going outside.

Physical Education (gym) is a required part of the curriculum for all students and is mandated by the New York State Education Department. A student is required to earn a passing grade in physical education in order to complete requirements for each grade and participate in extra-curricular activities.

All physical education equipment should have names on them so if lost they can be promptly returned. All cosmetics brought into the locker room such as make-up, shampoo, deodorants, etc., are to be in plastic or metal containers for safety purposes (no glass). No items that could be hazardous are to be brought to any physical education class. Electrical hair dryers and curling irons are not permitted in the locker room.

Students are to leave all valuables such as watches, rings, or large sums of money at home. Physical education teachers will not be responsible for students' valuables. **All jewelry must be removed including earrings in newly pierced ears, necklaces, rings, etc., while participating in any activity. Please do not plan on piercing ears just prior or during the school year.**

A student who is to be excused due to a lengthy illness must have a physician's note. Written assignments will be provided by the physical education teacher in lieu of class participation and will become the basis for the student's grade. Missed classes that are not excused by a physician need to be made up in order to receive credit for the class. Classes that are missed due to a student being unprepared may **not** be made up and the student will receive a zero. Students who are continuously unprepared for class will be deemed insubordinate and can receive discipline consequences.

HEALTH

- A parent/guardian may only excuse his/her child from physical education class for one day. A note from a physician, clinic or ER is necessary to be excused from physical education for more than one day.

All students and parents should make note of the following:

- All students need to obtain a pass from the teacher whose class they are attending in order to go to the health office that period. If the nurse is not available in her office, report to the Main Office. No one is to go to the Health Office without a pass except in an emergency.
- All medications are to be brought to the nurse in their original container with the medication request signed by the physician and parent/guardian. This includes any over-the-counter medications. The only medications that students may carry are inhalers and epi pens.
- All 7th graders and students new to the district are required to obtain a physical according to New York State education law. If proof of a physical is not submitted to the nurse, the district health care provider will provide one during school hours.
- Students interested in participating in interscholastic sports must have had a sports physical within the last year. Announcements are made regarding sign up procedures in the nurse's office.
- Students must have permission to use crutches and the elevator from a physician, clinic or ER.
- JV and Varsity level sports begin practicing in mid-August. Modified football begins practice in August. All other modified sports teams begin practices in September.
- A student must have a sports physical within the last calendar year to try out for a sport. Middle School students trying out for a JV or Varsity level team **MUST** pass classification testing which is arranged through Mr. Matt Cook Athletic Director. He can be reached at **807-3647**.

LOCKERS

Lockers will be issued to students for the start of the school year. Combination locks will be issued to all students for use during the school year and returned at the end of the school year.

All lockers at NTMS are the property of the North Tonawanda City School District. Each student is assigned a hallway locker for personal clothing, school supplies, lunches, etc. **Lockers and other storage spaces are considered school property and therefore may be opened and searched by school officials without consent.** To make sure your personal belongings are safe, please follow these rules:

- Keep personal belongings in book bag and carry with you at all times.
- Do not share your book bag with anyone for any reason.

- The school is not responsible for lost or stolen items. Property of great value should always be left at home.

SKATEBOARDS, SCOOTERS AND BIKES

Skateboards, roller blades, and scooters are to be placed inside your locker immediately upon entering the school building and may only be removed at dismissal. Bikes should be locked in the bike racks outside. The School District is not responsible for any damage done to bikes which are locked on school grounds. Please walk your bike, skateboard or scooter once you arrive on school property in the morning, and do not ride them again until you are off school property when you leave.

STUDENT USE OF COMPUTERS/IPADS

Student use of the District's Computer System (DCS) is conditioned upon written agreement by all students and their parents/guardians that student use of the DCS will conform to the requirements of this policy and any regulations adopted to insure acceptable use of the DCS. A full explanation of this policy and a 'Computer Usage' form is provided to each NTMS student in this handbook. After thoroughly reading these documents, the student and parent(s) should sign the consent form. This should be retained by the student and kept in a binder where it is readily available. Students will be expected to have it in their possession whenever they plan to use a NTMS district computer.

NORTH TONAWANDA CITY SCHOOLS **STUDENT COMPUTER USE AGREEMENT**

Please read this document carefully before signing.

The Board of Education of the North Tonawanda City School District will provide access to various computerized information resources through the District's Computer System (DCS). We are very pleased to bring this access to our district and believe it offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in schools by facilitating sharing, innovation, and communication.

The DCS may include access to electronic mail, on-line services, and the Internet. It may also include the opportunity for some students to have independent access to the DCS from their home or other remote locations. One purpose of this policy is to provide notice to students, parents, and guardians that, unlike most traditional instructional or library media materials, the DCS will allow student access to external computer networks not controlled by the school district where it is impossible for the District to screen or review all of the available materials. Some of the available materials may be deemed unsuitable by parents or guardians for student use or access because it is of little educational value or may contain defamatory, inaccurate, abusive, racially offensive, illegal, or adult-oriented material.

We want to assure you that our Board of Education, Administration and Staff do not condone the use of such materials and do not permit usage of such materials in the school environment. Every reasonable effort will be made to monitor the usage of the DCS, but despite the existence of guidelines, regulations, and monitoring it will not be possible to entirely prevent access to computerized information that is inappropriate for students.

Furthermore, students may have the ability to access such information from their home or other off school premises. Parents and guardians of students must be willing to set and convey standards for appropriate and acceptable use to their children when using the DCS or any other electronic media or communications. The District respects the right of each family to decide whether or not to apply for independent computer access.

Generally, the same standards of acceptable student conduct which apply to any school activity shall apply to the use of the DCS. Students who engage in unacceptable use will lose access to the DCS and may be subject to further discipline under the District's school conduct and discipline policy. In addition, some violations may constitute a criminal offense and the District reserves the right to pursue legal action against a student who willfully, maliciously or unlawfully damages or destroys property of the District. Furthermore, the District may bring suit in civil court against the parents or guardians of any student who willfully, maliciously or unlawfully damages or destroys District property pursuant to Education Law §1709(36).

Student data files and other electronic storage areas will be treated like school lockers. This means that such areas shall be considered to be school district property subject to control and inspection. The System Administrator may access all such files and communications to ensure system integrity and that users comply with the requirements of this policy.
