NO SCHOOL FOR STUDENTS

Busing Information & Schedules 2010-2011 A Message From The Transportation Department

As summer comes to a rapid close, the transportation department has been hard at work to make sure that the start of school is safe, smooth and efficient. The buses have been routed, fine-tuned and are listed here for your convenience. Please note that there may be changes to the routes prior to the start of school.

To help ensure a smooth start up, please review the items listed below:

1. Please have your child OUTSIDE at their stop at least 10 minutes prior to their pick-up time. For the most part, times will be similar to last year. Note that some bus routes have changed this year.
2. Students riding small buses (van), attending day care, special class students, and all eligible kindergarten students will receive notification via a postcard regarding their bus stops and times. Note: not all kindergarten students get a bus and the ones that do, are not necessarily house pick-ups & drop-offs.

**The routes listed in this issue
are the routes and stops
for the BIG BUSES ONLY!!**

NT Transportation Policy

Transportation is not door-to-door service. Corner pick-up locations have been established based upon safety and efficiency.

Not all students get a bus to school. Simply because a bus stop is located near your house, does not necessarily mean that your child is eligible to ride that bus. Transportation policy established by the Board of Education states that transportation will be provided for the following students:

Grades K-2	beyond ¾ of a mile from school
Grades 3-6	beyond 1 mile from school
Grades 7-8	beyond 1-1/2 miles from school
Grades 9-12	beyond 2-1/2 miles from school

If you have a question about bus eligibility, please call 807-3876.

Transportation Telephone Numbers

North Tonawanda CSD (Ridge St.) 807-3876 — (small buses/vans)

First Student Bus Service (Walck Road) 695-7898 — (big buses A – W)

First Student Bus Service (Wheatfield St.) 694-7281 — (out of district special ed.)

Pick ups and drop offs will be adjusted over the first few days as the drivers get settled in their runs.

Please be patient and allow the runs to stabilize prior to calling.

Courage Accountability Respect Empathy

Building Character for Success continues to advocate for a caring educational environment that motivates academic learning which develops students who will be well-balanced in academic studies, extra-curricular activities, and social skills.

The BCFS team is proud to have North Tonawanda High School as a partner with Kids Escaping Drugs. This school year “Face to Face” presentations will be taking place with students, parents, and faculty. We believe that the “Face to Face” program is one way to address the important topic of alcohol and substance abuse.

The BCFS mission promotes teaching responsibility, promoting tolerance, and sharing ways with students to make positive decisions in life. With **C.A.R.E.**— Courage, Accountability, Respect, and Empathy, our school will cultivate a kinder and friendlier place that considers the needs of all individuals in order to build a more positive learning community for students, teachers, staff, administrators, and parents.

Together we can make a difference for our NT community.

Dear Parent/Guardian:

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student educational records. Educational records subject to this protection include all academic, attendance, health, guidance and special service reports. FERPA requires schools to inform parents and students annually of these rights, such as by this notice for the current school year. Under FERPA, parents and students over 18 years of age ("eligible students") have the following rights:

(1) Parents and eligible students have the right to inspect and review the student's educational records within 45 days from the date in which the school receives a request for access.

Parents or eligible students who wish to review their records should submit a written request that identifies the record(s) they wish to inspect to the appropriate "school official." A "school official" is a person employed by the district as an administrator, supervisor, instructor or support staff (including health or medical staff and law enforcement personnel), school board member, or a person or company with whom the district has contracted to perform a specific task such as attorney, auditor, medical consultant, therapist or evaluator.

After processing the written request for inspection of a student's education records, the school official will make arrangements for the access and notify the parent or eligible student of the time and the place where the records may be inspected. A copy fee of \$0.25 per page may be charged provided that such fee does not effectively prevent parents or eligible students from exercising their rights to inspect and review these records.

(2) Parents and eligible students have the right to request the amendment of the student's educational records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who seek to amend a record should submit a written request to the school official which clearly identifies the part of the record they want changed, and why it is incorrect or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing and their right to file a complaint with the Family Policy Compliance Office at the U.S. Department of Education. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Please note that the school is not required to consider requests for amendment under FERPA that: (1) seek to change a grade or disciplinary decision; (2) seek to change opinions or reflections of a school official or other person reflected in an education record; or (3) seek to change a determination with respect to a child's status under special education programs.

(3) Parents and eligible students have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without their consent.

Generally, schools must have written permission/consent from the parent or eligible student in order to release any information from a student's education records. However, FERPA allows schools to disclose records, *without consent*, to the following parties or under the following conditions:

- to a school official with a legitimate educational interest (i.e., the official needs the record to fulfill his or her professional responsibility);
- to another school district to which the student seeks or intends to enroll;
- to specified officials for audit or evaluation purposes.

- to organizations conducting certain studies on behalf of the school;
- to accrediting organizations;
- to comply with a judicial order or lawfully issued subpoena;
- to appropriate officials in cases of health and safety emergencies; and
- to state and local authorities, within the juvenile justice system, pursuant to specific State law.

In addition, schools are also permitted to release information, without prior written consent of the parents or eligible student, which has been appropriately designated as “directory information” by the district. North Tonawanda City School District has designated the following information as “directory information”:

- student’s name
- address
- telephone listing
- participation in officially recognized activities and sports
- weight and height of members of athletic teams
- photograph
- degrees, honors and awards received
- date and place of birth
- dates of attendance
- electronic email address
- the most recent educational agency or institution attended

NOTE: Specific examples include honor roll, merit roll, annual yearbook, playbills and graduation programs.

Directory information, which is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) such as the North Tonawanda City School District to provide military recruiters, upon request, with three directory information categories — names, addresses and telephone listings — unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If you do not want the North Tonawanda City School District to disclose “directory information” from your child’s education records, you must notify the Administration Building, in writing that you do not want “directory information” disclosed. The written notice to the Administration Building about directory information must be received no later than 14 days after the date of publication of the notice (or within 15 days of newly enrolling in the district). A notice is provided below.

(4) Parents and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the North Tonawanda City School District to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

Additional information on local school policy may be obtained from building principals or Educational Services at the North Tonawanda City School District, 175 Humphrey Street, North Tonawanda, NY 14120.

Register Now for B.A.S.E. Before and After School Enrichment Program

Parents/Guardians wishing to enroll their child(ren) in the B.A.S.E. Program will need to complete an application for each child. Applications are available at the elementary schools as well as the B.A.S.E. Office, the lobby of the Administration Building and online at www.ntschoools.org, under the elementary schools. Five (5) to ten (10) business days are required to process applications after receipt at the B.A.S.E. Office so the program can be staffed properly according to New York State Regulations.

Parents/Guardians will be notified of the date services will be available. Completed applications can be given to B.A.S.E. personnel at the site(s) where your child(ren) will attend OR can be dropped off at or mailed to the B.A.S.E. Office, located in the N.T. High School, 405 Meadow Drive. Incomplete applications will not be processed. Please call the B.A.S.E. Office at 807-3754 if you have any questions or concerns.

SEX OFFENDER NOTIFICATION

The North Tonawanda Police Department has informed the school district that we will no longer be receiving written notification of level 2 and 3 sex offenders through the mail as we have in the past. The Niagara County Sheriff's Department created a web site listing all the level 2 and 3 sex offenders in their jurisdiction and the NT Police Department has teamed up with them. Level 2 and 3 sex offenders residing in North Tonawanda are now on that web site. Additionally, the web site will allow users to sign up for a notification service that will automatically notify you via e-mail every time a level 2 or 3 sex offender moves into or from place to place within Niagara County.

The Niagara County Sheriff's Department web site is www.ncsd.com/SOR/. Please also remember that the New York State web site is www.criminaljustice.state.ny.us/sor/. The state web site allows you to search by name, county, or zip code throughout New York. The state's toll free number is 1-800-262-3257.

The District will continue with notifications using the District newsletter and District web site www.ntcityschools.org.

CENTRAL REGISTRATION

Information is available at the Administration Building

New student registration or change of address are now processed at the Administration Building, 175 Humphrey Street.

Registration packets are available in the lobby of the Administration Building.

NO registrations will be processed without all of the required documents. Office hours for central registration is between 10 a.m. until 2 p.m. Monday through Friday.

If you have any questions, please call 807-3539.

PESTICIDE NOTIFICATION PROGRAM

The North Tonawanda City School District may periodically use pesticide products on school property. For more information on the products used or to be registered for the 48 hour advanced notice, contact Daniel Connolly at 807-3517 or in writing at 175 Humphrey Street, North Tonawanda, NY 14120.
