RE: Application Procedure

All necessary application materials for Substitute Teaching in the North Tonawanda City School District are uploaded to our Human Resources website. These include:

1. Application
2. NYSTRS Option
3. Tax Sheltered Annuity/403(b) Option
4. W-4
5. Employee Computer Use Agreement

Please complete these forms and **return them in person to the Personnel Office** at 176 Walck Rd., North Tonawanda, New York 14120. When returning the materials, it is necessary that you present the following:

- a. Proof of New York State teacher certification. This may include your certificate. If it has not been issued, we will accept a letter from your university or the local certification office **and** a copy of your examination scores. Your information will be verified through the TEACH Website.
- b. If you are **not** a certified teacher, you must provide proof that you possess a bachelor's degree from an accredited college or university.
- c. Resume

In addition, it is necessary that all prospective employees comply with the New York State legislation requiring fingerprinting. Fingerprinting must be completed prior to interview. All fingerprinting required by the Education Department for certification or employment in schools must be scheduled with Morpho Trust at: www.IdentoGo.com or 1 (877) 472-6915.

Once your file is complete, we will direct you to schedule an interview with one of our Building Principals. Recommendation for appointment will be presented to our Board of Education shortly after the interview. Your references **will be** contacted.

An I-9 form is also enclosed. This form must be completed and **returned in person immediately after receiving notice of appointment.** When doing so you must bring your driver's license and Social Security card, or U.S. Passport.

Thank you for your interest in working for the North Tonawanda City School District. If you have any questions, please feel free to contact Christine McClinsey at 807-3516.
