Dear Applicant,

Thank you for considering employment with the North Tonawanda City School District.
A complete application should include:

1. Answering all questions on the buff colored School District application
2. Answering all questions **in detail** on the white Niagara County Civil Service application. This form must be completed and returned with the School District form to the School District Personnel Office.
3. If the application is for Professional School Nurse, you must include a copy of a current RN license.

You will be required to be fingerprinted before employment commences.
All fingerprinting required by the Education Department for certification or employment in schools must be scheduled with MorphoTrust at: www.IdentoGO.com
or 1-(877)-472-6915.

Once again, thank you for your efforts.

Best Regards,

Laurie Burger
