6. Have fun!

## Upcoming Events

September 14 – Fall Fundraiser Begins

September 16- PTA Meeting 6:30

## This Week's Focus

The school year is in full swing and we have been busy learning about our classmates and our classroom. Routines are beginning to be established.

Reading- Students have begun to learn how the books in our classroom are organized and the importance of putting them back where they belong. They have had opportunities to interact with the books.

Writing- "Work on Writing" is one of the Daily 5 components that students will be doing each day. We have discussed what the students and the teacher should look like and sound like during this time. We are building our stamina for writing.

Math- We took our 2<sup>nd</sup> grade Benchmark Assessment to see the strengths and weaknesses of each area. This will be used to help our Remedial Math teacher decide on groupings.

Social Studies- Community Building. We are a community of learners in a respectful, safe environment. Students are doing a great job practicing these values. We also wrote letters to local First Responders (Firefighters, Police Officers, EMT's etc.) in honor of Patriot's Day.

Spelling – Spelling will begin next week!
