

The Davignon Weekly

September 25, 2015

Reminders

Drake's Open House will be on September 30th from 6-7. Please come join us to see our school, classroom, and sign up for important events.

Please note: this is not an ideal time for a Parent/Teacher conference.

We

Second Grade!!

Please Note:

Please leave your student's Homework Chart in his/her Take Home Folder each night. This

way, we can copy down homework the following day.

Thank you!

This Week's Focus

Reading- Students have learned the rules and routines for the last two of our "Daily 5" components. "Listen to Reading" and "Word Work" are rotations that students will visit throughout the week. In "Listen to Reading" students will listen to a book being read on a tape, CD, or computer. They will then have a listening response form to fill out. In "Word Work" students complete a variety of activities such as: Word Sorts, Magnetic Letters, Stamps, Play Doh, Flash Cards etc.

Writing- We have focused on expanding our writing by using a particular format. Students will write an Opening Sentence, followed by at least three details, and lastly wrapping up their paragraph with a closing sentence.

Math- We have finished Topic 1: "Understanding Addition and Subtraction". Students have taken the Topic 1 test and learned many strategies to connect addition and subtraction. Please continue to practice facts at home. Fluency is key!

Science- We are loving learning about plants and animals. Ask your student to name some living and non-living things.

Spelling- Our spelling words this week all ended with a silent "e" and most of them had long vowel sounds.
