North Tonawanda High School Service Learning

Dear NT Community,

There have been a number of inquiries about the number of hours that need to be performed by each North Tonawanda High School student to fulfill their Service Learning requirement for graduation. The following is a breakdown of the number of hours each graduating class will need as there has been a pro-rated adjustment for some of the classes due to the Covid situation of the last couple of years.

Class of 2022: 15 hours

Class of 2023: 15 hours

Class of 2024: 22.5 hours

Class of 2025: 30 hours

You may also find additional information on the High School website under [Service Learning](#), where you will find a list of approved activities and any forms that need to be filled out for Service Learning Credit. If you would like to get an activity approved, please see Mr. Capolupo in Room 236 or contact him at 807-3600 X1236 for more details.

Thank you,

Vince Capolupo
Service Learning Coordinator
