DISTRICT FOCUS AREA: Transitions

GOAL # 2: The school will establish or enhance systems, resources, and procedures that will enable students and staff to make successful transitions to the NTHS community, and prepare students for the transition from high school to higher education or the work force.

OBJECTIVES/ OUTCOMES	ACTION PLANS/STRATEGIES	TIME/PERSON RESPONSIBLE	HOW ACTIONS WILL BE MONITORED, EVALUATED	PROFESSIONAL DEVELOPMENT
Implement one section of Honors Global History I to prepare students for Advanced Placement European History.	-Develop a curriculum for Honors Global History I that is academically rigorous as a preparation for the difficult AP European History course.	One volunteer teacher	Test student interest for the course and contact middle school counselors and teachers to see if there are academically qualified students who are interested.	Research curriculum for this new course.
